

North America - Can you come on a Great American

Road Trip?

Woodchester Endowed Church of England (VA) Primary School

What should I already know?

Key Questions:

- What are North American cities like?
- What are South American cities like?
- Are South American cities similar to North American cities?
- What are the America's main environmental regions?
- What is route 66?
- Have you been along Route 66?

Key Facts

Compass points x 8 (N, NE, E, SE, S, SW, W, NW)

- Looked at countries that make up North America and where certain cities are located
- Looked at countries that make up South America. Explored human and physical features. Discussed climate.

Lesson 2

Lesson 3

Compares points.

Research a North or South American city.

Lesson 4

- North & South America - human (eg. Hoover Dam, CN Tower, Mount Rushmore) and physical (Grand Canyon, Niagara Falls, Rocky Mountains)

Lesson 5

Route 66 - one of the original highways on the U.S. numbered system. Researched places along the route eg. Chicago, Oklahoma City, Las Vegas

Lesson 6

- Presented our route 66 research to class.

Lesson 7
