

WHAT ARE THE WONDERS OF THE WORLD AND WHERE ARE THEY?

Geography

This term we will explore two events in the history of travel - the first flight and the Rainhill Trials of Stephenson's Rocket. The children will examine the legacy of both events.

Spring 2 - Beech

Science

In science this term, we will continue to learn about animals with a focus on life cycles. We will learn about and describe the different stages of life for humans, butterflies and frogs.

English

In English we'll be reading "The Robot and the Bluebird" and "The Dragon Machine".

We will:

- Write diary entries
- Write instructions
- Write recounts
- Write explanation texts

In our whole class reading sessions, we will be reading both fiction and non-fiction books, along with some poetry. We will widen our vocabulary and focus on developing our predicting, sequencing, inferencing and retrieval skills.

Music - Contrasting Dynamics (Space) - we will be using our voices, comparing music, identifying different features in music and performing our own space piece

Y1 Maths

Length and Height:

Compare heights and lengths

Measure length using centimetres

Mass and Volume:

Measure and compare mass and volume

Compare capacity

Multiplication:

Count in 2s, 5s and 10s and recognise equal groups

Y2 Maths

Multiplication and Division:

2x, 5x, 10x tables; dividing by 2, 5, 10; odd and even numbers

Length and Height:

Measure in cm and m; compare lengths and heights; order lengths and heights; four operations with lengths and heights

Mass, capacity and temperature:

Compare mass; measure in grams; measure in kilograms; four operations with mass

Computing - Coding

We will explore Scratch Jr and recognise loops in coding and why they are useful.

PSHE

In PSHE, we will learn about citizenship. We will think about what makes a good school environment and community.

DT - Textiles

We will use running stitch to make a small pouch and then decorate in a style of our choosing.

PE

We will be focusing on the principles of play this term and how we can adapt these to team games.

RE - The Easter Story

We will learn about the Easter story and will begin to understand the terms 'incarnation' and 'resurrection'.
