- Accompanied classes all day at Chedworth Roman Villa

Governor's observations and comments.

On 3rd March, I accompanied Juniper and Willow classes to Chedworth Roman Villa as part of their spring curriculum covering Roman times.

Parent/Governor helpers were briefed on safeguarding issues on the morning of the trip and information was thorough. Although children with any significant medical conditions were in groups with teaching staff, parents were briefed on any medical issues in their groups, potential issues relating to the taking of photos and being amongst members of the public and we were given a risk assessment to read through as well as timings for the day.

The day was very well-organised and ran very smoothly.

Children were made to wash their hands or use hand gel during the day to help protect against coronavirus as well as for general hygiene.

I was in a group with the Year 5 children, whose behaviour throughout the day was excellent. The children listened carefully, were interested in the information they were given and fully entered into the activities. The work they had done prior to the trip was very evident in the knowledge they demonstrated. The guide with us throughout the day was impressed with the level of knowledge.

The children were an absolute pleasure to spend the day with and their behaviour throughout was excellent, including their movements to and from the coach and moving around within the Roman Villa, showing respect for members of the public.
